Here is a checklist to review before you return your application.

- Print clearly and complete the application in blue or black ink.
- If you make any changes while completing this form (for example, if you cross out something you wrote), be sure to **initial and date** those changes.
- If any **corrections** are needed or if the form is incomplete, the application may have to be returned to you, or we may try to call you, to obtain the necessary information. In that case, we will record your information on a form that will be attached to your application.
- You may request an effective date of any day of the month after the date we receive your application. Your application must be received by Anthem by the requested effective date in order to secure that date.
- The primary applicant and spouse/domestic partner, if applicable, must sign and date the application in two places (top and bottom of page 12).**
- List the height and weight for each applicant.
- List the date of birth for each applicant.
- If you have had creditable health coverage in the past 63 days, please fill out Section I to apply for preexisting credit. Creditable Coverage is defined as prior coverage from a group plan, Medicare, Medicaid, health plan for active military personnel, including CHAMPUS, Indian Health Service, state risk pool, Federal Employees Health Benefits Program, state children's health insurance program, public health plan, U.S. Government plans, foreign health plans, individual insurance policy or Peace Corps service. Prior coverage does not count as Creditable Coverage if there was a break of 63 days or more prior to applying for this coverage.
- Select the plan, deductible amount, Rx option and any applicable riders requested.
- Answer all health history questions in Section K. Failure to do so will delay the processing of your application.
- If you answered "yes" to any of the health history questions, give complete details on page 9.
- For Automatic Bank Draft, complete the Authorization located in Section H and include a **voided check**. We cannot accept deposit slips. (Your account will be drafted from the assigned effective date to the current billing date if your application is approved by Underwriting.)
- The initial premium is required with the application. Please provide your credit card authorization per the instructions in Section H. If you pay by check, please make the check payable to Anthem Blue Cross and Blue Shield, include your Social Security number on the front of the check, and affix the check to the front of the application.

If you are unsure of your current medical condition, we strongly recommend that you ask your current or previous physician(s) to clarify your specific condition. We have the right to review all of your medical records to verify the accuracy of your information during the first 24 months you are covered. However, do not assume we will review all of your medical records before approving your application. If we issue coverage to you and later discover that you misrepresented or omitted information you knew in response to a question we may rescind your coverage, even after it has been issued. This means that you may lose your health benefits including coverage for treatment already received. Rescission may occur even if we review your medical records or seek medical confirmation of your health information as part of processing your application. Even if you currently have health insurance coverage or had prior coverage with Anthem Blue Cross and Blue Shield, you must fully disclose and answer all health history questions.

## Section L – Significant Terms, Conditions and Authorizations (TERMS)

*Please read this section carefully before signing the application.*

1. **I understand that it is mandatory that I notify Anthem, in writing, immediately if I (the applicant) or any other person for whom coverage is sought received medical treatment, advice, care or a diagnosis for any illness, injury or condition after the date I sign this application but before my coverage effective date. I understand that in this situation, Anthem has the right to underwrite my application again, using the new information and that, as a result, my coverage/family members' coverage might be rescinded, or delayed, or reformed or benefits denied due to the illness, injury or condition being treated as a preexisting condition.**
2. I understand that sending my initial premium with this application, and the receipt of my payment by Anthem, does not mean that coverage has been approved. I understand that if my application is denied, my bank account or credit card will not be charged.
3. I may not assign any payment under my Anthem program. I am applying for the coverage selected on this application. I understand that any premium quote provided is preliminary and review of my application by medical underwriting may change the premium or result in a denial of coverage. I understand that, to the extent permitted by law, Anthem reserves the right to accept or decline this application, and that no right whatsoever is created by this application.
4. **I understand that benefits are not payable for any undisclosed preexisting conditions for the first 12 months after my effective date. Pregnancy is also a preexisting condition.**
5. I am responsible to timely notify Anthem of any change that would make me or any dependent ineligible for coverage.
6. I understand Anthem may convert my payment by check to an electronic Automated Clearinghouse (ACH) debit transaction and that my original check will be destroyed. The debit transaction will appear on my bank statement although my check will not be presented to my financial institution or returned to me. This ACH debit transaction will not enroll me in any Anthem automatic debit process and will only occur each time I send a check to Anthem. Any resubmissions due to insufficient funds may also occur electronically. I understand that all checking transactions will remain secure, and my payment by check constitutes acceptance of these terms.
7. By signing this application, I agree and consent to the recording and/or monitoring of any telephone conversation between Anthem and myself.
8. I understand that my domestic partner, if applicable, is only eligible for coverage if: he or she has been my sole domestic partner for 12 months or more; he or she is mentally competent; he or she is not related to me in any way (including by blood or adoption) that would prohibit us from being married under state law; he or she is not married to or separated from anyone else; and he or she is financially interdependent with me.
9. I understand I am applying for individual health coverage which is not part of any employer-sponsored plan. I certify that neither I nor any dependent is receiving any form of reimbursement or compensation for this coverage from any employer. I understand that I am responsible for 100% of the premium payment and I am also responsible to ensure that premiums are paid.
10. If I purchase optional dental coverage for the Dental Blue<sup>®</sup> Essential, I understand that I will have a twelve month waiting period for coverage of Major Restorative Services. *(For a description of Preventive, Diagnostic and Major Restorative services please refer to your contract.)*
11. By signing this application I certify that I understand that Anthem Life has the right to deny my application for Term Life Insurance Coverage, and if it does, I will be notified in writing. I understand that if Anthem Life declines this coverage, no benefits will be payable. I understand that I alone am responsible for reading and accurately completing this application, and I must communicate any changes to my status. I also understand that all other conditions of my medical application apply for the life application.
12. I acknowledge that I have read the Significant Terms, Conditions, and Authorizations, and I accept such provisions as a condition of coverage. I represent that the answers given to all questions on this application are true and accurate to the best of my knowledge and belief, and I understand they are being relied on by Anthem in accepting this application. Any material misrepresentation or significant omission found in this application may result in denial of benefits or rescission or cancellation of my coverage(s).

If tobacco use question in Section B or Section C is answered "NO", I understand that the signature(s) shown on the following page will attest to non-tobacco usage for the past 12 months.

Any person who, with intent to defraud or knowing that he or she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.

I give this authorization for and on behalf of any eligible dependents and myself if covered by Anthem. I am acting as their agent and representative.

## **Section L – Significant Terms, Conditions and Authorizations (TERMS) (continued)**

### **NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE**

According to your application, you intend to lapse or otherwise terminate your present policy and replace it with a policy to be issued by Anthem. For your own information and protection, certain facts should be pointed out which should be considered before you make this change.

1. Health conditions that you may presently have may not be covered under the new policy. This could result in a claim for benefits being denied that may have been payable under your present policy.
2. Even though some of your present health conditions may be covered under the new policy, these conditions may be subject to certain waiting periods under the new policy before coverage is effective.
3. Questions in the application for the new policy must be answered truthfully and completely; otherwise, the validity of the policy and the payment of any benefits thereunder may be voided.
4. The new policy will be issued at a higher age than that used for the issuance of your present policy; therefore the cost of the new policy, depending upon the benefits, may be higher than you are paying for your present policy.
5. The renewal provisions of the new policy should be reviewed so as to make sure of your rights to periodically renew the policy.
6. It may be to your advantage to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. You should be certain that you understand all the relevant factors involved in replacing your present coverage.

### Authorization for Use of Protected Health Information

The following authorization must be signed by the applicant and the applicant’s spouse or domestic partner, if the spouse or domestic partner is to be covered. If the applicant and spouse or domestic partner, if applicable, does not sign this authorization, coverage, an addition to coverage, or an upgrade to coverage may be denied.

I hereby authorize that any provider of health services or supplies (e.g. physician, hospital, durable medical supplier, pharmacist), insurance company, organization, or person can release to Anthem Blue Cross and Blue Shield (“Anthem”) and its agents, subsidiaries or affiliates medical and insurance information about health-related services and supplies provided to me, persons covered, or persons to be covered. This authorization shall not extend to the disclosure of a provider’s notes taken during psychotherapy sessions that are maintained separately from the rest of the provider’s medical record. Anthem can use the information to review, investigate, or evaluate any application for an insurance policy, a policy reinstatement, or a request for change in policy benefits. Unless previously revoked, this authorization is valid for 24 months from the date I signed it.

This authorization is subject to revocation at any time by written notice to Anthem except to the extent that Anthem has already taken action in reliance on this authorization. If I revoke this authorization after I initially apply for coverage, I understand that I/we will not be considered for coverage. If I revoke this authorization after I ask to upgrade my coverage or add a family member, I understand that the change will not be made. I understand that if my and/or my family’s information is to be received by individuals or organizations that are not health care providers, health care clearinghouses or health plans governed by federal privacy regulations, my/our information might be re-disclosed by any of those recipients and will not be protected by federal privacy regulations. A copy of this authorization is available to me, or to my authorized representative, upon request and will serve as the original.
